ASSIGNMENT

WHEREAS, we, **Allan Rousselle**, a citizen of the United States of America, residing at 16141 NE 90th Way, Redmond, WA 98052 and **Kevin Browne**, a citizen of the United States of America, residing at 5942 Mont Blanc Place NW, Issaquah, WA 98027 have invented certain inventions and improvements disclosed in an application for Letters Patent entitled "**Method and System for Setting Document-Linked Timed Remedies**" filed herewith.

WHEREAS, **Microsoft Corporation**, a corporation of the State of Washington having a principal place of business at One Microsoft Way, Building 114, Cedar Court, Redmond, Washington 98052, is desirous of acquiring an interest in the same;

NOW, THEREFORE, for and in consideration of good and valuable consideration, the receipt and sufficiency of which we hereby acknowledge, we, **Allan Rousselle** and **Kevin Browne** by these presents do sell, assign and transfer unto **Microsoft Corporation**, the full, exclusive and entire right, title, and interest in and to said application, in and to any divisions, continuations, and reissues thereof, and in and to all inventions and improvements disclosed and described in said application, preparatory to obtaining Letters Patent of the United States therefor; and we hereby request the Commissioner of Patents and Trademarks to issue any and all Letters Patent of the United States resulting from said application, or from a division, continuation, or reissue thereof, to **Microsoft Corporation**, as the assignee, for its interest and for the sole use and benefit of **Microsoft Corporation** and its assigns and legal representatives;

For the same consideration, we, by these presents do sell, assign, and transfer to **Microsoft Corporation**, the full, exclusive, and entire right, title and interest in and to any foreign application or applications corresponding to said application, in whole or in part, in countries other than the United States, in and to any Letters Patent and similar protective rights granted on said foreign applications, and in and to the right to claim any applicable priority rights arising from or required for said foreign applications under the terms of any applicable conventions, treaties,

statutes, or regulations; said foreign applications to be filed and issued in the name of **Microsoft Corporation**, or its designee insofar as permitted by applicable law.

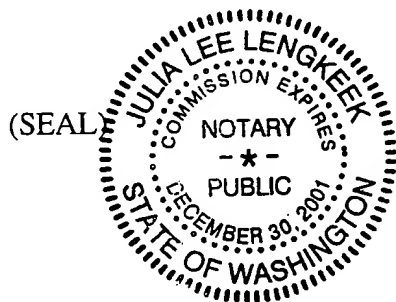

AND, for the same consideration, we agree to sign all lawful papers, execute all division, continuing, reissue and other applications, make all assignments and rightful oaths, and generally do everything possible to aid **Microsoft Corporation**, its successors, assigns, and nominees, to obtain and enforce proper protection for all said inventions and improvements in all countries throughout the world.
